

SILK ROAD EXPEDITION
in support of
SPORTS FOR HOPE FOUNDATION
運動燃希望基金
黃沙萬里單車籌款活動

Thank you for your interest in supporting our “ **Silk Road Expedition for Sports For Hope Foundation** “ This challenging adventure is to raise funds for the Foundation to provide an all rounded sports training program for under privileged children between the age 8-16 in Hong Kong. I believe that as individual we all contributed to Hong Kong community but with your support I am sure we can do more.

On Sept 16th 2011, my team and I met up with Andrea Oschetti who completed his 3,200 km cycling trip along the Silk Road, solo and without support for 7 weeks from Mashhad in Iran to Kasghar (喀什) in Xinjiang (新疆) province in China. We completed the final 260 km at the border between China and Kyrgyzstan and finished the trip in 3 days on Sept 18th in Kasghar.
